FOR IMMEDIATE RELEASE

Public Notice of Nomination Meeting

Maitland –The Citrus Administrative Committee (CAC or Committee) is actively seeking nominations for new committee members and alternates to serve a two-year term beginning August 2024 – August 2026. USDA Agricultural Marketing Service policy is that the diversity of the board should reflect the diversity of their industries in experience of members, methods of production and distribution, marketing strategies, and other distinguishing factors that will bring different perspectives and ideas to the table. When submitting nominations, the industry must consider the diversity of the population served and the knowledge, skills, and abilities of the members to serve a diverse population. All interested parties are encouraged to participate.

A minimum of Ten grower nominations and ten alternate member nominations are needed. Grower members shall be producers who produce citrus fruit for the fresh market. Grower members may be persons who, in addition to being producers, are shippers or employees of shippers. At least one of the nominees and their alternates so nominated shall be affiliated with a bona fide cooperative marketing organization. The Committee also seeks nominations for Public Member and Alternate Public Member. A Public Member is someone who has no direct commercial ties or affiliations with the citrus industry.

Those interested in serving are asked to contact Peter Chaires (Manager) at peter@citrusadministrativecommittee.org. Nominations must be received by Noon, April 16, 2024. A list of interested persons will be compiled into a nomination slate. A Zoom meeting has been scheduled for April 23, 2024, at 10:00 AM. Call details are at the end of this release. A vote will be taken on the Zoom call, and a final list of nominees will be submitted to the Secretary of Agriculture.

The CAC administers Federal Marketing Order 905 and sets minimum grades and size standards for Florida citrus that is shipped interstate and exported to assure an orderly market for the fruit. It is overseen by the USDA, which must approve the nominees for committee membership.
